236. Communication from the Senate of Belgium to the Speakers of the Senate and House of Commons of Canada.

(*Translation*).

BRUSSELS, BELGIUM, April 30, 1919.

The Speaker of the House of Commons,
The Speaker of the Senate,
Ottawa.

Mr. SPEAKER,—I beg to send you and request you to communicate to the Assembly over which you preside the text of the motion unanimously adopted by the Senate during its session of Tuesday, April 29, 1919.

The Senate of Belgium affected by the vote of the Paris Conference which disregards the claims of the City of Brussels to become the seat of the League of Nations, seriously preoccupied by the distressing condition to which the country has been reduced by this most cruel war and convinced that the numberless ruins which cover its territory cannot be restored by its own national resources, most anxiously appeals to your Assembly and implores it to interveno with the greatest possible energy in order to obtain that the solemn promises of prompt and complete restoration so frequently reiterated be now carried out in the spirit of broad equity and generous compassion which inspired them.

Relying upon the sentiments of solidarity which unite all civilized nations and upon the assurance of sincere and profound sympathy which your Assembly so kindly gave to Belgium, the Senate counts upon obtaining from your Assembly its powerful aid and effectual intervention in support of the legitimate and necessary atonements claimed from the Paris Conference for the restoration of this country.

Please accept, Mr. Speaker, the assurance of my greatest respect.

(Signed) Baron de PAVEREAU,
President of the Senate.

Presented by Hon. Mr. Speaker, May 1, 1919.. .. ..*Not printed.*

Retirement of Inspectors.

AUDITOR GENERAL'S OFFICE, OTTAWA, Aug. 14, 1918.

SIR,—I beg to bring to your notice an order of the Governor General in Council under date July 2, 1918, which provides on the recommendation of the Minister of Justice, that the two inspectors of penitentiaries be granted leave of absence with pay until the end of the fiscal year, and that they be then retired with such retiring allowances as may be lawfully authorized, and to point out that notwithstanding this mandatory order of the Governor in Council, one of the inspectors at least is still signing cheques drawn on the parliamentary appropriation for the maintenance of penitentiaries, and performing other duties in connection with the administration of the penitentiary vote.

In view of the order of the Governor in Council directing that these officers be given leave of absence, which seems to me, practically to relieve them of all duties appertaining to their position in the public service, I shall be obliged if you will let me know if they are still authorized to sign cheques and perform other duties in connection with the administration of the Penitentiary Appropriation.

I have the honour to be, sir, your obedient servant,

E. D. SUTHERLAND, *Asst. A.G.*

The Deputy Minister of Justice.

BUREAU DE L'AUDITEUR GÉNÉRAL, 14 août 1918.

MONSIEUR,—J'ai l'honneur d'attirer votre attention à un ordre du Gouverneur général en conseil en date du 2 juillet 1918, ordonnant, sur recommandation du ministre de la Justice, que les deux inspecteurs des pénitenciers aient la permission de s'absenter avec salaire jusqu'à la fin de l'exercice, et qu'alors ils soient mis à la retraite avec pensions à être légalement fixées, et de vous signaler qu'à l'encontre de cette ordonnance du Gouverneur en conseil qu'un, au moins, des inspecteurs signe encore des chèques émis sur les crédits parlementaires pour l'entretien des pénitenciers, et qu'il rempli d'autres devoirs en rapport avec l'administration du crédit pour pénitenciers.

En vertu de l'ordre du Gouverneur en conseil, ordonnant que ces fonctionnaires, soient mis en congé, ce qui me semble les relever pratiquement de tous leurs devoirs concernant leur position dans le service public. Je vous serais obligé si vous me laissiez savoir s'ils sont encore autorisés à signer les chèques et à remplir d'autres devoirs en rapport avec l'administration des crédits pour les pénitenciers.

J'ai l'honneur d'être, monsieur,
votre obéissant serviteur

E. D. SUTHERLAND, *Ass. A.G.*

Le sous-ministre de la Justice.

DEPT. OF JUSTICE, OTTAWA, Nov. 19, 1918.

SIR,—Referring to your letter of 14th August last, I may say that it is with the Minister's consent that the Inspectors of Penitentiaries continue to discharge the duties which were formerly incident to their offices. The appointment of a superintendent and inspectors under the new legislation has, as you are aware, passed to the Civil Service Commission, and I have been trying for several months to have these offices filled, but the Commission still has the matter under consideration. In the meantime, so far as the department is concerned, the inspectors continue to act upon a realization, I suppose, that there is nobody else to perform their duties.

I have the honour to be, sir, your obedient servant,

E. L. NEWCOMBE, *D. M. of Justice.*

The Asst. Auditor General.

MINISTÈRE DE LA JUSTICE, OTTAWA, 19 novembre '18.

MONSIEUR,—En réponse à votre lettre du 14 août dernier. Je dois vous dire que c'est avec le consentement du Ministre que les inspecteurs des pénitenciers continuent à remplir les devoirs de leur anciennes fonctions. La nomination d'un surintendant et de deux inspecteurs en vertu de la nouvelle législation, comme vous le savez, a été confiée à la Commission du service civil, et j'ai essayé depuis plusieurs mois à faire remplir ces positions, mais la Commission est encore à considérer cette affaire. Entre temps, en autant que le ministère est concernée, les inspecteurs continuent d'agir par nécessité, je présume qu'il n'y a personne autre pour remplir leurs devoirs.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

E. L. NEWCOMBE,
Sous-ministre de la Justice.

L'assist. Auditeur général.

The wharfage returns from Berths 6 and 7 are signed by wharfinger E. C. Elkin and those from Berths 14 and 15 and Berth 16 by W. W. Donohue. The deposits were all made in Merchants' Bank of Canada at St. John by your Agent, J. C. Chesley.

The executive regulations require that where possible every officer or agent employed in the collection of public moneys shall make a daily deposit, if the receipts amount to $25.00; otherwise, when that sum in on hand.

You will observe that deposits made by your agent at St. John on May 30th last included April collections $3,391.30, at Berths 6 and 7; March, April and May collections $17,972.20, at Berths 14 and 15; and April and May collections $3,461.20, at Berth 16, making a total deposit on that date of $24,824 70.

The collections from Berths 6 and 7 for May and June, $2,512 15, were not deposited until August 11th, the collections for September $40 95, from Berths 6 and 7 were deposited October 22nd, the collections for October, $216.30 from Berths 6 and 7 and Berth 16, $268 00 were deposited on November 23rd; the December collections from Berths 5 and 7, $1,908 95, were deposited January 19th, while the collections for the same month from Berths 14 and 15, $2,913.55 and Berth 16, $3,659 15, were not deposited until January 23rd.

Les rapports de quaiage pour les emplacements 6 et 7 sont signés par le gardien de quai E. C. Elkin et ceux pour les emplacements 14 et 16, et l'emplacement 16 par W. W. Donohue. Les dépôts ont tous été faits à la banque des Marchands du Canada à St-Jean par votre agent, J. C. Chesley.

Les règlements de l'exécutif demandent autant que possible, à tout fonctionnaire ou employé chargé de la perception des deniers publics de déposer chaque jour le montant perçu quand ce montant atteint $25 00, sinon, aussitôt que ce montant est en caisse.

Vous remarquerez que les dépôts faits par votre agent à St-Jean au 30 mai dernier, y compris $3,391.30 perçus en avril aux emplacements 6 et 7; $17,972.20 perçus en mars, avril et mai aux emplacements 15 et 15; et $3,461 20 perçus en avril et mai à l'emplacement 16, forment un total déposé à cette date de $24,824,70.

Les perceptions pour les emplacements 6 et 7 pour mai et juin, $2,512.15, n'ont été déposées que le 11 août, les perceptions de septembre ont été de $40 95 pour les emplacements 6 et 7 et déposées que le 22 octobre; les perceptions d'octobre ont été de $216.30 pour les emplacements 6 et 7 et 16, le 23 novembre $268 00 étaient déposées; les perceptions de décembre, $1,908.95 pour les emplacements 5 et 7 ont été déposées le 19 janvier, pendant que les perceptions du même

I shall be glad to know what has been done with the collections made at these different wharves from day to day as they were collected and the reasons for not depositing the same to the credit of the Receiver General as the executive regulations require.

The collections for March, $6,541.50, from Berths 14 and 15 should have come to account in time to be included in the receipts of the last fiscal year, but were not deposited until May 30th, two months after the year closed and were not credited in the books of this Office until June 29th last. Please explain the delay.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Marine and Fisheries.

DEPARTMENT OF MARINE,
OTTAWA, March 11th, 1918.

SIR,—I am to acknowledge receipt of your letter dated the 5th instant with reference to wharfage dues collected from St. John West wharves to 31st December last.

I am to state that this matter is being taken up with the Agent of this Department at St. John, and as soon as word has been received from him you will be further communicated with.

I am, sir, your obedient servant,

D. C. CAMPBELL,
For Deputy Minister.

The Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, April 5th, 1918.

Re Sault Ste. Marie wharf.

SIR,—Replying to your letter of the 22nd ultimo, I have to state that the collections made at Sault Ste. Marie Wharf for the last fiscal year reached this Office on March 6th last.

The returns furnished show the collections and payments made from month to month as follows:—

The collections made in April, $4.22, cover one day, April 30th; the payments made for that month were wharfingers' salary $100, and $10 paid for cleaning office and waiting room. The collections for December, $36.59, were made from

mois pour les emplacements 14 et 15, $2,913.55 et pour le 16, $3,659.15, n'ont été déposées que le 23 janvier.

Je désirerais savoir ce qui a été fait des perceptions faites à ces différents quais jour par jour et les raisons pour ne les avoir pas déposées au crédit du Receveur général comme le demandent les règlements de l'exécutif.

Les perceptions de mars, $6,541.50, pour les emplacements 14 et 15 auraient dû être remises en temps pour être comprises dans les rapports du dernier exercice, mais elles n'ont été déposées que le 30 mai, deux mois après l'exercice clos et créditées aux livres du bureau que le 29 juin dernier. S'il vous plaît expliquez ce retard.

Je demeure, monsieur,
Votre obéissant serviteur,
J. FRASER, *A.G.*

Le sous-ministre de la Marine,
Ottawa.

MINISTÈRE DE LA MARINE,
OTTAWA, 11 mars 1918.

MONSIEUR,—J'accuse réception de votre honorée du 5 courant au sujet de quaiages perçus aux quais de St-Jean Ouest au 31 décembre dernier.

Je dois vous dire que votre demande a été transmise à l'agent de ce ministère à St-Jean, et aussitôt que nous aurons sa réponse nous vous la communiquerons.

Je demeure, monsieur,
Votre obéissant serviteur,
D. C. CAMPBELL,
Pour le sous-ministre.

A l'Auditeur général, Ottawa.

BUREAU DE L'AUDITEUR GÉNÉRAL,
OTTAWA, 5 avril 1918.

MONSIEUR,—En réponse à votre lettre du 22 ultimo, je dois dire que les perceptions faites au quai du Sault Ste-Marie pour le dernier exercice sont parvenues à ce bureau le 6 mars dernier.

Les rapports fournis indiquent les perceptions et paiements mensuels comme suit:—

Avril 1917	4 22	100 00	10 00

Les perceptions d'avril ont été faites, $4.22, en un seul jour, le 30 avril; les déboursés faits pour ce mois ont été de $100 pour le salaire du gardien du quai et $10 pour le nettoyage du bureau et de la salle d'attente. Les perceptions pour

the 1st to 6th inclusive; the payments include wharfinger's salary $100, Hilda M. Cain $75, and checker, James Wylie, $80. Please explain why the assistants were paid full salaries for December and if the duties they performed could not have been done by the wharfinger.

Since the collections in April covered only the last day of that month and no collections in December were made after the 6th day, the period of navigation would appear to be from April 30th to December 6th inclusive or about seven and a quarter months.

The Order in Council which authorizes the wharfinger to pay for assistance from the tolls collected says the amount is not to exceed an average of $200 a month during the season of navigation. The total amount paid for assistance during the last season was $1,711.23. Assuming the season covered seven and a quarter months, this amount was $261.23 in excess of what was authorized and should be refunded.

Regarding the salary paid the wharfinger it would appear that if he was paid in full for April and December, months in which very little business was done, he should have ample time to prepare for the opening of navigation and the closing up of the work after the season ended.

I shall be glad to know what duties he performed in January, February and March, and would ask that he either be asked to refund the salary paid for these months or that the Order in Council be amended authorizing him to retain from his collections $100 per month all the year round.

I am, sir, your obedient servant,
J. FRASER, *A.G.*

The Deputy Minister of Marine and Fisheries, Ottawa.

DEPARTMENT OF MARINE,
OTTAWA, May 23rd, 1918.

SIR,—With reference to your letter of the 5th ultimo in regard to the condition of affairs at Sault Ste. Marie, I have to state that an order in council has been passed allowing $100 per month the year round as salary to J. D. H. Browne, wharfinger.

Regarding other inquiries in your letter the matter is being taken up with the wharfinger at Sault Ste. Marie, and you will be communicated with later on the subject.

I am, sir, your obedient servant,

C. STANTON,
Assistant Deputy Minister.

The Auditor General, Ottawa.

Re-Harbour Dues.

AUDIT OFFICE, OTTAWA, June 12th, 1918.

SIR,—According to your last statement of draft and triplicate receipts which came to account on the 5th instant, the Harbour Master at Halifax deposited on January 9th last in the Royal Bank there $37; which according to the deposit appeared to be excess collections made during the year over and above the salary allowed and retained by him.

The returns furnished and made under oath show the collections during the last calendar year to be $3,351 and the remuneration allowed the Harbour Master as $1,800 per annum for his services.

The regulations regarding salary distinctly point out that if the moneys collected for fees in any

décembre, $36.59, ont été faites du 1er au 6 inclusivement; les déboursés comprennent le salaire du gardien, $100, Hilda M. Cain, $75, et le contrôleur James Wylie, $80. S'il vous plaît m'expliquer pourquoi les aides ont été payés pleins salaires pour décembre et si les services rendus n'auraient pas pu l'être par le gardien du quai.

Puisque les perceptions d'avril n'ont été faites que le dernier jour de ce mois et qu'aucune perception n'a été faite après le six de décembre, il appert que la période de navigation a été du 30 avril au 6 décembre inclusivement, ou environ sept mois et quart.

L'arrêté ministériel autorisant le gardien du quai de payer pour aide à même les droits perçus statue que le montant ne devra pas excéder une moyenne de $200 par mois durant la saison de navigation. Le montant total payé pour aide durant la dernière saison a été de $1,711.23. En prenant pour acquis que la saison est de sept mois et quart, ce montant se trouve de $261.73 plus élevé qu'autorisé et doit être remboursé.

A propos du salaire payé au gardien du quai, il semble qu'étant payé en plein pour les mois d'avril et décembre pour si peu de travail fait, il devrait avoir pleinement le temps de tout préparer pour l'ouverture de la navigation et de tout mettre en ordre pour sa clôture.

Je serais heureux de connaître quel travail il y a à faire en janvier, février et mars, et je vous demande de lui demander soit le remboursement du salaire payé pour ces trois mois ou de faire amender l'ordre en conseil l'autorisant de retenir sur les perceptions $100 par mois pour toute l'année.

Je demeure, monsieur,
Votre obéissant serviteur,
J. FRASER, *A.G.*

Le sous-ministre de la Marine, Ottawa, Ont.

MINISTÈRE DE LA MARINE,
OTTAWA, 23 mai 1918.

MONSIEUR,—En réponse à votre lettre du 5 ultimo au sujet de l'état des affaires au Sault Ste-Marie, je dois vous dire qu'un arrêté ministériel a été passé accordant $100.00 par mois durant toute l'année comme salaire à J. D. H. Browne, gardien du quai.

Pour ce qui est des autres informations demandées par votre lettre, elles sont sous considération avec le gardien du quai du Sault Ste-Marie et vous serez mis en rapport avec ce dernier à leur sujet.

Je demeure, monsieur,
Votre obéissant serviteur,
C. STANTON,
Assistant sous-ministre.

A l'Auditeur général, Ottawa.

Re-Droits de port.

BUREAU DE L'AUDITEUR GÉNÉRAL,
OTTAWA, 12 juin 1918.

MONSIEUR,—Suivant votre dernier état de traites et reçus en triplicata le 5 courant, le maître du port d'Halifax a déposé le 9 janvier dernier $37.00 à la banque Royale; ce que d'après le reçu de dépôt est le surplus de perceptions faites durant l'année sur le salaire accordé et retenu par lui pour la présente année et les découverts précédents.

Les rapports fournis et assermentés établissent que les perceptions durant l'année ont été de $3,351 et la rémunération accordée au maître du port est de $1,800 par année pour ses services.

Les règlements concernant le salaire statuent clairement que si les argents perçus pour droits dans une année n'atteignent pas la somme fixée,

one year amount to a less sum than so fixed, then such less sum shall be the salary or remuneration for that year.

Notwithstanding this regulation, however, the Harbour Master after deducting his salary, $1,800, made further deductions on account or remuneration as follows: 1910, $1,308; 1911, $103.50; 1914, $86; and 1915, $16.50; leaving only $37 to be deposited, which came to hand as stated above.

According to the regulations the Harbour Master was not justified in deducting anything from his collections except his salary of $1,800 and I have therefore to ask that he be called upon to deposit without delay $1,514 which was deducted in excess of what the regulations stipulate.

I am, sir, your obedient servant,
J. FRASER, *A.G.*

The Deputy Minister of Marine, and Fisheries,
Ottawa.

AUDIT OFFICE, OTTAWA, January 13th, 1919.

Re Unanswered Letters.

SIR,—I have to call your attention to the following letters to which I have not received satisfactory replies:—

Re St. John West Wharves Revenue, March 5th, 1918;

The receipt of this letter was acknowledged on March 11th, and explanations were promised after the matter was taken up with the Agent, but so far no further communication has been received.

Re Sault Ste. Marie Wharf Revenue, April 5th, 1918;

This letter was acknowledged on May 13rd, and while my objection to the payment of the wharfingers' salary for the whole year was removed by the passing of an Order in Council authorizing the same, the payment for assistance deducted from the revenue in excess of what was authorized still requires an explanation.

Re Harbour Dues Revenue, Halifax, June 12th, 1918;

No reply has been received so far to this letter.

The manuscript for the Audit Report appertaining to your Department will shortly be forwarded to the printers, and it is desirable that replies should be received to the above letters.

I am, sir, your obedient servant,

E. D. SUTHERLAND,
Asst. Auditor General.

The Deputy Minister, Marine and Fisheries,
Ottawa.

que cette somme réduite sera le salaire ou rémunération pour telle année.

Cependant malgré ce règlement, le maître du port, après avoir déduit son salaire, $1,800, fait de plus les réductions pour rémunération comme suit: 1910, $1,308; 1911, $103.50; 1914, $86; et 1915, $16.50; laissant seulement $37 à déposer, ce qui a été remis comme dit plus haut.

Suivant les règlements le maître du port n'était pas justifiable de déduire quoi que ce fut de ses perceptions si ce n'est son salaire de $1,800; et je dois en conséquence lui demander de déposer sans délai $1,514, montant déduit en plus que stipulé par les règlements.

Je demeure, monsieur,
Votre obéissant serviteur,

J. FRASER, *A.G.*

Le sous-ministre de la Marine, Ottawa, Ont.

BUREAU DE L'AUDITEUR GÉNÉRAL,
OTTAWA, 13 janvier 1919.

MONSIEUR,—Je dois attirer votre attention sur les lettres suivantes pour lesquelles des réponses satisfaisantes n'ont pas été reçues.—

Re Perceptions aux quais de St-Jean Ouest, 6 mars 1918;

L'accusé de réception de cette lettre est daté du 11 mars, et des explications étaient promises après échange de renseignements avec l'agent, mais jusqu'à présent aucune information n'a été reçue.

Re Perceptions au quai de Sault Ste-Marie, 5 avril 1918;

L'accusé de réception de cette lettre est en date du 23 mai, et bien que mon objection au paiement du salaire du gardien du quai pour toute l'année ait été mise de côté par un arrêté ministériel autorisant le paiement de tel salaire, le paiement pour aide déduit des perceptions excédant celui autorisé demande encore une explication.

Re Droits de port perçus à Halifax, 12 juin 1918;

Aucune réponse à cette lettre n'a encore été reçue.

Le manuscrit de l'Auditeur général concernant votre ministère sera prochainement remis aux imprimeurs, et il serait désirable que des réponses soient reçues aux susdites lettres.

Je demeure, monsieur,
Votre obéissant serviteur,

E. D. SUTHERLAND,
Assist. Auditeur général.

NOTE—The annuity payment is for the purpose of paying off in 50 years the original capital, £2,000,000 and interest thereon at 3 per cent per annum.

General working expenses includes salaries and expenses of Head Office, Cable Stations and Cable Ship and Provident Fund.

Reserve and renewal fund is to provide for cable repairs and renewal of the cable when found necessary.

Revenue = Traffic receipts.

*This is the second occasion since the Pacific Cable was laid on which there has remained a surplus from revenue after the payment of the sinking fund annuities. In accordance with the provisions of the Pacific Cable Act, 1901, this sum must be applied in reduction of the outstanding balance of the original advance for the capital.

Supplies furnished departments during March	791,675 29
Stationery stock on hand, March 31	480,315 60
	$ 1,821,858 33

to which should be added the value of any bindery stock on hand in the Printing Bureau, not worked up, and not at that time charged against any of the departments. This amount represents the advances made from the Consolidated Revenue Fund on March 31, for the purpose of carrying on the work of the Printing Bureau and Stationery Office.

Under section 42 of the Public Printing and Stationery Act, the Minister of Finance is authorized to advance to the King's Printer, out of the Consolidated Revenue Fund, such sums of money, *not exceeding at any time two hundred thousand dollars*, for the purpose of carrying out the provisions of the Act. You will readily see that while the amount of two hundred thousand dollars thus authorized to be advanced may have been adequate at the time of the original passing of the act, it has become altogether inadequate through the growth of the business of your department. I would accordingly suggest that you make application to Parliament, at the coming session, to have the section amended by increasing the amount of advances that may be authorized to such sums as may be deemed necessary to meet the exigencies of the public service.

I am, sir,

E. D. SUTHERLAND, *Asst. A.G.*

Demande d'amendement à la loi concernant les Impressions et la Papeterie Publique.

BUREAU DE L'AUDITEUR GENERAL, 26 octobre 1918.

MONSIEUR,—Je dois attirer votre attention sur les montants qui ont dû vous être avancés, de temps à autre, par le Fonds du revenu consolidé pour la poursuite des travaux de votre département.

Ainsi l'état de vos affaires au 31 mars était comme suit:—

Montants dus le 28 février par les ministères pour marchandises fournies	$ 549,867 44
Marchandises fournies aux ministères durant le mois de mars	791,675 29
Stock de la papeterie en mains le 31 mars	480,315 60
	$ 1,821,858 33

à ce montant on doit ajouter le stock en mains de la reliure du Bureau de l'Imprimerie nationale, qui n'est pas encore utilisé et non encore porté au compte d'aucun des ministères. Ce montant représente les avances faites au 31 mars par le Fonds du revenu consolidé pour la poursuite du travail du bureau des Impressions et de la Papeterie.

En vertu de la section 42 de la loi du bureau des Impressions et de la Papeterie publiques, le ministre des Finances est autorisé à avancer à l'Imprimeur du Roi, en dehors du Fonds du revenu consolidé, toutes sommes d'argent n'excédant en aucun temps deux cent mille dollars pour atteindre le but des dispositions de la loi. Vous verrez aisément, que si les deux cent mille dollars autorisés à être avancés ont pu être suffisants lors de la passation de la loi, il est devenu évident qu'ils sont présentement insuffisants vu l'augmentation des affaires dans votre département. Je vous suggèrerais donc que vous fassiez application au Parlement, à la prochaine session pour amender la section en augmentant le montant des avances à être autorisées jusqu'au point qu'il sera nécessaire pour rencontrer les exigences du service public.

Je demeure, etc.,

E. D. SUTHERLAND, *assistant, A.G.*
